

2nd Annual Summit on Cell Therapy and Stem Cell Research. Atlanta, Georgia, USA. November 9-10, 2018

Conferenceseries welcomes you to attend the 2nd Annual Summit on Cell Therapy and Stem Cell Research during November 9 - 10, 2018 at Atlanta, Georgia, USA. We cordially invite all the participants from all over the world who are interested in sharing their knowledge and research in the area of Cell Therapy and Stem Cell Research. The theme of 2nd Annual Summit on Cell Therapy and Stem Cell Research is "*Bridging the gap from basic Cell Science to Advanced Cellular Therapies for a Better Life*" which provides a unique way to present the evidences on latest advancements and researches with a holistic approach to different areas of interest.

The conference tracks are designed in such a way so as to cover all the areas of researches involved with Cell Therapy and Stem Cell Research and their impacts on human health. The main aim of this conference is to provide a platform to all the scientists, doctors, medical professionals and business delegates who will undoubtedly enhance the conference by giving their views regarding recent breakthroughs to all the attendees.
