

## **2nd International Women Health and Breast Cancer Conference. London, UK. August 13-14, 2020**

Following the success of i-Women Health 2019, we welcome you to the 2nd International Women Health and Breast Cancer Conference in London during August 13-14, 2020.

i-Women Health 2020 provides an international forum for academicians, practitioners, health and business professionals to share latest advancement and research across the broad field of women's health. i-Women Health's focus includes the dissemination of translational research and evidence-based practices for disease prevention, diagnosis, and treatment for women across the lifespan.

At i-Women Health 2020, we invite the submission of abstracts covering a broad range of crosscutting topics, including the breast cancer, pregnancy, infertility, Maternal-Child Health, Menstruation and Menopause, Reproductive Health, PCOS, Osteoporosis and more. The conference is the ideal venue to learn about the latest trends shaping women health industry, to gain new skills and insights from successful experts.
