

The 7th Annual Pharma PPM Toolbox in London, March 2-3, 2017

The world's biggest pharmaceutical PPM conference is a beautifully organized chaos of case studies, presentations, workshops and most of all, deep discussions for project & portfolio management professionals.

With over 60 sessions packed with practical information led by 35+ presenters, the 7th Annual Pharma PPM Toolbox will take place in London, at the beautiful Chelsea Harbour Hotel, on March 2nd & 3rd.

Who will you meet?

Christian Stadler, Professor of Strategic Management at Warwick Business School, author of *Enduring Success: What We Can Learn from the History of Outstanding Corporations*, listed as a future thinker in Thinkers 50

George Kirk, Global Medicines Lead from AstraZeneca

Wouter Schul, Director, Head of Project Management for Infectious Diseases at Novartis Institutes for BioMedical Research

Erez Hybloom, Head Of Portfolio & Launch Management Europe at Teva Pharmaceuticals
Andreas Norlin, Independent Project Leader
