

## **The European Human Behaviour and Evolution Association (EHBEA)**

London, UK, from 5-8 April

The European Human Behaviour and Evolution Association (EHBEA) is an interdisciplinary society that supports the activities of European researchers with an interest in evolutionary accounts of human cognition, behaviour and society.

EHBEA hosts the largest annual European-wide conference showcasing cross-disciplinary evolutionary research on human cognition, behaviour and society. The London School of Hygiene and Tropical Medicine welcomes you to join us and 6 prestigious plenary speakers for the special 10th anniversary conference in **April 2016**.

The confirmed plenary speakers confirmed for 2016 are:

**Ronald Lee** (University of California, Berkley US)

**Grazyna Jasienska** (Jagiellonian University, Poland)

**Jens Krause** (University of Cambridge, UK)

**Louise Barrett** (University of Lethbridge, Canada)

**Jay Stock** (University of Cambridge, UK)

**Jonathan Wells** (University College London, UK)
